

REMARKS

Prior to examination on the merits, please enter the amendments submitted above.

Claims 24, 29, 40, 43, 45, 54 and 64-81 presently appear in this case. Support for new claims 64-81 appears in the specification *inter alia* at page 11, line 28 to page 12, line 4; page 13, lines 15-24; page 19, line 30 to page 21, line 6, and page 23, line 14 to page 24, line 3 of the published PCT application.

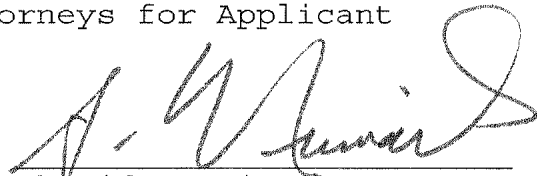

The above amendments are made without prejudice and to place the claims in better form for U.S. practice. No abandonment of any subject matter is intended.

Favorable consideration of the application is respectfully requested.

Respectfully submitted,
